To All Valued Clients  
Dear Sirs,

## REVISION OF SCHEDULE OF RATES

After careful deliberation, the Management of Pangkalan Bekalan Kemaman Sdn. Bhd. ("PBKSB") have decided to revise the Schedule of Rates after taking into account the escalation in costs of services and investments.

2. This is also in consequential to the finalisation of the Contract: "Provision of Supply Base Facilities, Services and Tenancy for Petroleum Arrangement Contractors (PACs) at Petroleum Supply Base (Kemaman)" between PBKSB and the Petroleum Arrangement Contractors (PACs) Group led by PETRONAS.

3. PBKSB believes that the average increase of all rates will not significantly burden our clients. Please note that the last increment of the Schedule of Rates by PBKSB was effectuated in 2023.

4. Following this, the new Rates will be applicable to our clients with the effective date(s) thereof shall be as follows:

PROVISION	EFFECTIVE DATE
All PAC	1 May 2026
All Base Client	1 May 2026

5. We truly appreciate your support and we look forward to serving you better in future.

Thank you.

**"KOMITED, SELAMAT, BERINTEGRITI"**

Yours faithfully,

**(SYED ABDULLAH BIN SYED OMAR)**

Senior General Manager, Supply & Support Base
